Article VII. Employee Rights - Grievance Procedure

7.1 Definition of a Grievance:

A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement.

7.2 Union Representatives:

The Employer will recognize Representatives designated by the Union as the grievance representatives of the bargaining unit having the duties and responsibilities established by this Article. The Union shall notify the Employer in writing of the names of such Union representatives and of their successors when so designated as provided by Section 6.2 of this Agreement.

7.3 Processing of a Grievance:

It is recognized and accepted by the Union and the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the Employees and shall therefore be accomplished during normal working hours only when consistent with such Employee duties and responsibilities. The aggrieved Employee and a Union Representative shall be allowed a reasonable amount of time without loss of pay when a grievance is investigated and presented to the Employer during normal working hours provided that the Employee and the Union Representative have notified and received the approval of the designated supervisor who has determined that such absence is reasonable and would not be detrimental to the work programs of the Employer.

7.4 Procedure:

Grievances, as defined by Section 7.1, shall be resolved solely in conformance with the following procedure:

Step 1. An Employee claiming a violation concerning the interpretation or application of this Agreement shall, within twenty-one (21) calendar days after such alleged violation has occurred, present such grievance to the Employee's Supervisor as designated by the Employer. The Employer designated representative will discuss and give an answer to such Step 1 grievance within ten (10) calendar days after receipt. A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, the remedy requested, and

shall be appealed to Step 2 within ten (10) calendar days after the Employer designated representative's final answer in Step 1. Any grievance not appealed in writing to Step 2 by the Union within ten (10) calendar days shall be considered waived.

Step 2. If appealed, the written grievance shall be presented by the Union and discussed with the Employer designated Step 2 representative. The Employer designated representative shall give the Union the Employer's Step 2 answer in writing within ten (10) calendar days after receipt of such Step 2 grievance. A grievance not resolved in Step 2 may be appealed to Step 3 within ten (10) calendar days following the Employer designated representative's final Step 2 answer. Any grievance not appealed in writing to Step 3 by the Union within ten (10) calendar days shall be considered waived.

Step 3. If appealed, the written grievance shall be presented by the Union and discussed with the Employer designated Step 3 representative. The Employer designated representative shall give the Union the Employer's answer in writing within ten (10) calendar days after receipt of such Step 3 grievance. A grievance not resolved in Step 3 may be appealed to Step 4 within ten (10) calendar days following the Employer designated representative's final answer in Step 3. Any grievance not appealed in writing to Step 4 by the Union within ten (10) calendar days shall be considered waived.

Step 3A. If the grievance remains unresolved at Step 3, either party may submit the grievance to mediation with the State of Minnesota, Bureau of Mediation Services, within 10 calendar days after the Employer designated Step 3 representative's answer in Step 3. Submitting the grievance to mediation preserves and tolls the timelines to Step 4 of the grievance procedure.

Step 4. A grievance unresolved in Step 3 and appealed to Step 4 by the Union shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971 and amendments thereto. The selection of an arbitrator shall be made in accordance with the "Rules Governing the Arbitration of Grievances" as established by the Public Employment Relations Board.

7.5 Arbitrator's Authority:

- A. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the Union, and shall have no authority to make a decision on any other issue not so submitted.

- B. The arbitrator shall be without power to make decisions contrary to, or inconsistent with, or modifying or varying in any way the application of laws, rules or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be binding on both the Employer and the Union and shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented be borne equally by the Employer and the Union provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings the cost shall be shared equally.

7.6 Waiver:

If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or any appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the Union in each step.

Article VIII. Savings Clause

- 8.1 This Agreement is subject to the laws of the United States, and the State of Minnesota. In the event any provision of this Agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provisions shall be voided. All other provisions shall continue in full force and effect. The voided provisions may be renegotiated at the written request of either party. - 9.6 The selection of vacation days or days off shall be determined by seniority.
