PRIVATE ADAPTIVE SWIM LESSONS

These lessons use an individualized approach to help participants with special needs develop skills to enjoy the water safely. These lessons are taught one-on-one. Aquatics Specialist, Jessica Colby, has completed the Swim Whisperers® Certification, which provides a toolbox of strategies to make water-safety skills developmentally appropriate for each participant. We ask that a parent or personal care attendant remain on site for the duration of the lessons.

SWIM LESSON LEVELS

Our swim program provides a comprehensive approach to swimming and water safety that teaches participants how to swim skillfully, while learning to think and act safely in, on, and around water. We recommend that swimmers come dressed in their suits and provide their own goggles. We ask that you arrive no earlier than 10 minutes prior to your scheduled session.

Level	Course Content
Preschool Water Exploration	Recommended for first time swimmers ages 3-4. Swimmers will be introduced to: how to safely enter and exit water, jumping from the side of the pool, blowing bubbles, bobbing, supported front and back glides, and leg and arm actions.
Level 1 Swim Basics	Swimmers should be comfortable in the water and at least 4 years old. Swimmers will work on: entering and exiting water independently, going under water, and supported skills: glides, floating, flutter kick, front crawl, elementary and backstroke arms, and jumping in.
Level 2 Water Movement	Swimmers should already be comfortable with being able to float and putting their head under water. Swimmers will work on: introduction to rotary breathing and treading water, retrieving underwater objects, jumping into water over their head, and independent skills: floating, front crawl, elementary and backstroke arms and kicks, rolling over from front to back, and back to front.
Level 3 Stroke Introduction	Swimmers should already be comfortable swimming front stroke, swimming on their back, and jumping into water over their head. Swimmers will work on: changing positions in the water, freestyle with rotary breathing, backstroke, scissors, breaststroke and dolphin kicks, retrieving objects in deeper water, treading water for 30 seconds, jumping into deep water, and seated and kneeling dives.
Level 4 Stroke Development	Swimmers should already be able to swim front crawl, backstroke and elementary backstroke 15 yards. Swimmers will work on: freestyle with rotary breathing, backstroke, elementary backstroke, scissors kick and sidestroke, whip kick and breaststroke, intro to turning at wall, treading water for one minute, and diving in compact and stride position.
Level 5 Stroke Mechanics	Swimmers should already be able to swim elementary backstroke and front crawl for 25 yards, breaststroke, butterfly, and sidestroke 15 yards, tread water for 1 minute, and perform scissors and whip kicks. Swimmers will work on: rotary breathing, treading water for 3 minutes, introduction to flip turns, and mechanics of freestyle, backstroke, elementary backstroke, sidestroke, breaststroke, butterfly, and shallow-angle dives.
Level 6 Stroke, Refinement, Stamina, and Pre-Lifeguarding	Swimmers should already be able to swim front crawl and elementary backstroke 50 yards, back crawl, breaststroke, butterfly, and sidestroke 25 yards, and tread water for 3 minutes. Swimmers will work on: fine tuning all six strokes, basic water rescues, and life guarding skills.
